GREATER PEORIA HEALTHCARE

CHOOSE GREATER PEORIA

Here in Greater Peoria, we put our people first. The proof? Healthcare is one of our largest industries — employing more than 30,000 people in the area and serving even more. While that means we're a major job market in the health field, it also means we offer some of the best patient care in the nation. When you choose Greater Peoria, you get the peace of mind that your family's health is our priority.

AWARD-WINNING HOSPITALS

We're proud to have top-ranked hospitals right here in Greater Peoria that offer 24/7 emergency, surgical and specialty services for the community.

Carle Health Methodist Hospital is a high-performing facility that focuses on providing quality healthcare, assistance and resources to the community.

OSF St. Francis Medical Center ranks number one in the nation for adult specialty, and several conditions and treatments. This hospital is renowned for its patient-centered care.

OSF Children's Hospital of Illinois is nationally recognized in several children's health specialties. Overall, this hospital is ranked in the top three of all children's hospitals in Illinois.

SPECIALTY CARE HIGHLIGHTS

You deserve expert doctors who put you first. Our midsize advantage means we get big-city specialists who care deeply about their community. So, regardless of specialty, you can count on finding the right doctor to help you on your journey. Here are a few places that stand out:

BEHAVIORIAL AND MENTAL HEALTH RESOURCES

We believe one of the best ways to promote mental wellness is through accessibility. That's why we're proud to host numerous behavioral and mental health facilities. Centers like Trillium Place and OSF HealthCare offer inpatient and outpatient care, addiction counseling, resources and more. The University of Illinois College of Medicine Peoria's Psychiatry and Behavioral Medicine Clinic offers an outpatient center with the area's only comprehensive academic mental health management and full-time faculty clinicians holding the highest level of certification in mental health care. Other organizations like NAMI Tri-County Illinois promote equal access to housing, education and employment for people with mental illness.

SUPPORT PROGRAMS

No matter what you're facing in life, Greater Peoria offers support to help you through it. Here are a few organizations that shine bright in the support category — though there are way more than we could ever list:

Almost Home Kids is a facility that acts as a bridge between the hospital and home — allowing parents to live with their child while they learn how to take care of their advanced needs.

Central Illinois Friends provides vulnerable community members cost-free HIV care and STI screening, prevention, vaccinations and more.

Susan G. Komen got its start right here in Greater Peoria. This renowned organization supports people in their fight against breast cancer through research, resources and funding.

The Ronald McDonald House in Peoria provides housing for out-of-town families who bring children to our nationally-acclaimed, local hospitals.

Family House provides affordable, home-like accommodations and compassionate services for families of patients receiving health care in the Peoria area.

Positive Health Solutions provides comprehensive medical and case management for those living with HIV/AIDS as well as providing medical care for the LGBTQ+ community.

WALK-IN & URGENT CARE CLINICS

Urgent care clinics are your go-to when you have an immediate, non-emergency need. Greater Peoria has what you need for fast, reliable care.

Carle Health Express Care offers many locations within miles of each other.

Family Quick Care is an independent facility that specializes in convenient, kindhearted care.

Heartland Health Services is a multi-service clinic with multiple locations throughout Greater Peoria.

Midwest Ortho First is an urgent care facility that specializes in muscle, bone and joint injuries.

OSF OnCall includes several in-person clinics with options for virtual visits.

ADVANCED TECHNOLOGY AND EDUCATION IN HEALTHCARE

Greater Peoria is home to the Jump Simulation & Education Center and the National Center for Agricultural Utilization Research. These facilities use state-of-the-art technology and research to advance the medical field and public health. As an investment in the future of medicine, many of our local research facilities collaborate with students at the University of Illinois College of Medicine in Peoria — giving them the opportunity to advance their medical experience.
